Lady Palm are multi- stemmed smaller palm, growing to 2m, with segmented fan shaped fronds. They prefer full shade or dappled light, avoid full light as leaves turn yellow, in rich moist soils with good drainage. Keep adequately watered, less in winter. Fertilise regularly

POT SIZE	PLANT SIZE	PRICE
25cm	0.8m	\$115.00
30cm	1m	\$130.00
40cm	1.2m	\$165.00
60L EasyLift	1.5m	\$355.00

Yucca elephantipes

Soft Tipped Yucca

Soft Tipped Yucca grow to 9m x 4m, & are great specimen trees. They produce white bell shaped flowers in summer. Preferring full sun or direct light, with good drainage. Mist leaves occasionally in summer, and water regularly. Keep potting mix barely moist in winter.

DELIVERY RATES

Orewa - Whangaparoa	\$60 - \$100
Albany - North Shore	\$50 - \$80
Auckland City	\$100
West Auckland	\$80 - \$100
South / East Auckland	from \$100

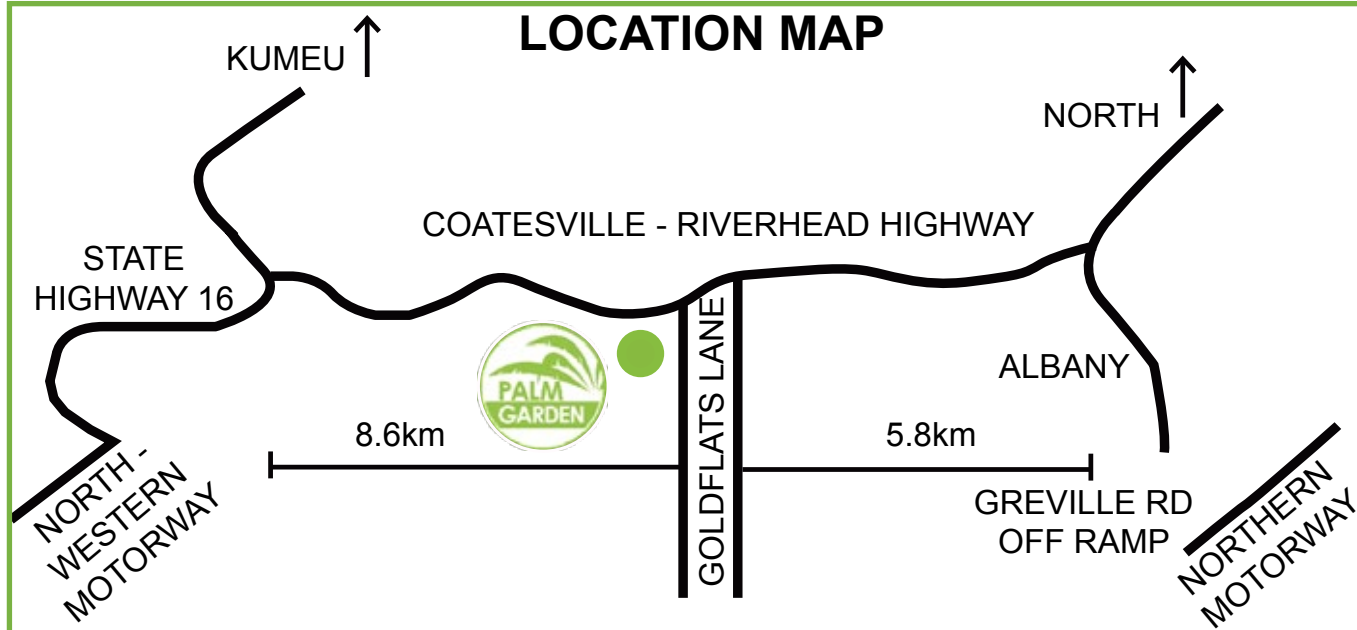

BAGGED STOCK

All product is bagged, opposed to open ground

Why is this better?

- Plants are under less stress when planted
- Plants have less die-back
- Plants are easier to transport
- There is less chance of transferring soil bacteria, fungi & insects.
